The Mayor's Column—Organizations and Its Members

This is the time of year to reflect upon what organizations and individuals contributed to our community. I would like to acknowledge the time and talents provided by Arthur and Ada Lou Deal. They have left us a legacy that will extend well beyond their time with us as members of Village Chapel United Methodist Church, the Women's Civic Club, the Ashville Heritage Society, the Ohio Festival Association, Planning & Zoning, etc. In "Memory" of that contribution the Women's Civic Club placed a bench in the park. Both were very involved this time of year whether planning events, working events or baking cookies. Thank you and your organizations. These organizations continue your legacy of giving.

ASHVILLE VISION STATEMENT

Remembering our rural heritage, Ashville will be a vibrant and friendly community, offering an enhanced quality of life achieved through planning, progress and collaboration.

It will be a welcoming place where people want to live and businesses prosper.

New Ashville Officers

Mayor Wise has sworn in two officers since June. On June 6, it was Sara Hempstead and on October 26, it was Michael Hedrick with his family present. Both individuals have previously worked for the Circleville Police Department.

Seasonal Advice from the Village of Ashville Service & Police Department

While the weather has been mild, we are preparing the village for winter. The goal of the service department is to maintain the safe flow of traffic. The crews work around the clock as needed for snow plowing and salt application. The snowplows will clean the streets from curb to curb. You can help the service department during sleet, hail, ice, and snow removal. This can only be done if cars are not parked along the curb. Please remove car (s) to an area that has been plowed. They can be returned once plowed.

Main and secondary roads are given first priority for plowing and salting to assure emergency accessibility and to ease traffic congestion. Residential streets are plowed afterwards.

Primary Streets = Main, Long, Station, Circleville Ave., & State Route 752

Secondary Streets = Jefferson, Miller, Scioto, Cromley, East, Powell, Randolph, Walnut, Plum and Park.

All Remaining Streets in Ashville

Snow Parking Ban - Parking is prohibited in Village Business District when snow has accumulated to a depth of two (2) inches. Signs are posted in these designated areas.

Property owners are responsible for snow and ice removal from sidewalks in front of their property. Depositing of snow or ice onto any public street or sidewalk is prohibited. Snow must be kept on the property it falls. Snow from your driveway may not be taken across the street. Also, please keep fire hydrants and storm sewer drains clear.

If you need the Service Department, call 983-6367 and ask for Dave Ballard. He is our Service Dept. Superintendent and he will return your call. (We would like to call your attention to pot holes. If you happen to see them, please call 983-6367).

We thank the dedicated drivers for working long cold hours to make our streets safer to drive.
